I. JURISDICTION

1. This Settlement Agreement is entered into pursuant to the authority vested in the Administrator of the U.S. Environmental Protection Agency (“EPA”) by Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (“CERCLA”), 42 U.S.C. § 9622(h)(1), which authority has been delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-D (5/11/1994), redelegated to the Director of the Office of Environmental Cleanup in Region 10 of EPA by Delegation No. R10-14-14-D (4/20/2012), and further delegated to the Office of Environmental Cleanup Associate Director, Remedial Cleanup Program Manager, and the Emergency Management Program Manager by Delegation No. R10 14-14-D(1) (5/3/2012).

2. This Settlement Agreement is made and entered into by EPA, and David L. Ellis, Pamela L. Ellis, Farouk H. Al-Hadi, (the “Settling Parties”). The Settling Parties consent to and will not contest EPA’s authority to enter into this Settlement Agreement or to implement or enforce its terms.

II. BACKGROUND

3. This Settlement Agreement concerns the Absorbent Technologies Site located at 140 Queen Avenue SW and 2830 Ferry Street SW, Albany, Oregon (collectively referred to as the “Site,” and individually referred to as the “Queen Property” and the “Ferry Property”). In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604. EPA performed and oversaw the performance of CERCLA response actions at the Site between October of 2013 and January 2014.

4. Absorbent Technologies, Inc. (“ATI” or “Debtor”) operated a commercial agricultural chemical formulating business at the Site. Debtor’s operations included the use, storage, and disposal of hazardous substances at both the Queen Property and the Ferry Property. On or about October 11, 2013, ~~Debtor Absorbent Technologies Inc. (“ATI”)~~ ceased operations at and abandoned both the Queen ~~Property Avenue~~ and Ferry ~~Property Street Properties~~. On October 15, 2013, the City of Albany requested that EPA assist it in addressing threats posed by ~~the Site~~. EPA initiated its efforts on the Site on October 15, 2013, when it performed an initial evaluation of conditions at the Queen ~~Property Site~~. After evaluating conditions at the Queen Property, EPA performed an emergency removal action at the Queen Property between October 16 and October 20, 2013. The primary focus of the emergency removal was the stabilization and removal of acrylonitrile from a 20,000 gallon tank for off-site disposal. During its assessment of the Site, EPA identified tanks, pipes, containers, and totes that contained several hazardous substances, including acrylonitrile, hydrogen cyanide, potassium hydroxide, sulfuric acid, phosphoric acid, methanol and toxic metals.

5. EPA determined that the presence of the hazardous substances at the Site posed significant risks to human health and the environment. EPA was assisted by its contractor Environmental Quality Management, Inc. during the initial site investigation and emergency

removal action. After EPA completing these actions, EPA further evaluated conditions and selected the response actions necessary to complete cleanup at the Queen Property.

6. Concurrent with its activities at the Queen Property, EPA evaluated conditions at the Ferry Property. EPA determined that the same hazardous substances that were present at the Queen Property also were present on the Ferry Property, albeit in smaller quantities.

7. On October 23, 2013, ATI converted its ongoing bankruptcy proceeding from Chapter 11 to Chapter 7. As of October 23, 2013, EPA had incurred approximately \$172,716.14 performing response actions at the Site.

8. On November 6, 2013, EPA issued an Action Memorandum that selected additional response actions to complete the removal action necessary to address environmental and human health risks posed by conditions at the Site. The selected actions were performed on behalf of the Settling Parties under the oversight of EPA. EPA's oversight was performed by its On-Scene Coordinator, Dan Heister, with the assistance of Ecology and Environment, Inc. All of these actions were performed after the ATI bankruptcy had been converted to Chapter 7. The Settling Parties completed the EPA selected removal action at both the Queen PropertySite and Ferry PropertySite on or about January 9, 2014. EPA incurred approximately \$226,435.18 performing and overseeing the performance of response action at the Site after October 23, 2013.4.

9. The acylontirile, hydrogen cyanide, potassium hydroxide, sulfuric acid, phosphoric acid, methanol, and metals left on the Queen Property and the Ferry Property all constitute "hazardous substances" within the meaning of Section 101(14) of CERCLA, 42 U.S.C. § 9601(14).

10. The Site is a "facility" as defined by Section 101(9) of CERCLA, 42 U.S.C. § 9601(9). There have been "releases" or "threatened releases" of hazardous substances from the Site, as defined by Section 101(22) of CERCLA, 42 U.S.C. § 9601(22).

11. EPA alleges that each Settling Party is a responsible party pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and is jointly and severally liable for response costs incurred ~~or to be incurred~~ at or in connection with the Site.

12. EPA has determined that the total ~~past and projected~~ response costs of the United States at or in connection with the Site are less than \$500,000, excluding interest.

13. Settling Parties David L. Ellis, Pamela L. Ellis, and Farouk H. Al-Hadi, ~~BLANK~~, the joint owners of the Queen Property during the time that EPA undertook response actions at the Site (collectively, the "Queen Owners"), recently sold the Queen Property to Pacific Cast Technologies, Inc. ~~Blank~~. In accordance with this Settlement Agreement, and pursuant to that certain Escrow Agreement dated January 1, 2014 (the "Escrow Agreement"), the Queen Owners ~~as a condition of the sale, the Blank~~ agreed to deposit \$135,000 of the proceeds of the sale of the Queen Property into purchase price in an escrow account. The monies placed in the

~~14. The terms of the escrow agreement provide that the escrowed funds will be transferred to EPA within thirty days of the Effective Date of this Settlement Agreement.~~

Commented [TY3]: Is this consistent with escrow instructions

14. Settling Parties BLANK, owner of the Ferry Property, and Kenneth Eiler, Trustee of Debtor's Chapter 7 bankruptcy estate, have agreed to place \$115,000 in the escrow account upon approval of the Bankruptcy Court. I will leave this to Justin to wordsmith

~~15. The terms of the Escrow Agreement provide that the escrowed funds will be transferred to EPA within two business days after the escrow account is fully funded in the amount of \$250,000 and after a fully executed and legally binding copy of this Settlement Agreement has been received into escrow.~~

~~16.~~ EPA and Settling Parties recognize that this Settlement Agreement has been negotiated in good faith and that this Settlement Agreement is entered into without the admission or adjudication of any issue of fact or law.

III. PARTIES BOUND

Commented [TY6]: Note paragraph number disappeared and I'm not sure how to fix it.

VI. FAILURE TO COMPLY WITH SETTLEMENT AGREEMENT

19-18. If a Settling Party fails or refuses to comply with the requirements of this Settlement Agreement, it shall be subject to enforcement action pursuant to Section 122(h)(3) of CERCLA, 42 U.S.C. § 9622(h)(3). If the United States, on behalf of EPA, brings an action to enforce this Settlement Agreement, the Settling Party shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

VII. COVENANTS BY EPA

20-19. Covenants for Settling Parties by EPA. Except as specifically provided in Section VIII (Reservations of Rights by EPA), EPA covenants not to sue or take administrative action against Settling Parties pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover ~~Past~~ Response Costs. As to each Settling Party, these covenants shall take effect only upon receipt by EPA of \$250,000 from the Escrow Account, as set forth in Section V ~~required by Paragraph 19~~ (Payment of Response Costs). These covenants extend only to Settling Parties and do not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY EPA

21-20. EPA reserves, and this Settlement Agreement is without prejudice to, all rights against Settling Parties with respect to all matters not expressly included within the Covenants for Settling Parties by EPA in Paragraph [REDACTED] ~~21~~. Notwithstanding any other provision of this Settlement Agreement, EPA reserves, and this Settlement Agreement is without prejudice to, all rights against Settling Parties with respect to:

a. liability for failure of a Settling Partyies to meet a requirement of this Settlement Agreement;

b. liability for costs incurred or to be incurred by the United States that are not within the definition of ~~Past~~ Response Costs;

c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;

d. criminal liability; and

e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

~~22-21.~~ Nothing in this Settlement Agreement is intended to be nor shall it be construed as a release, covenant not to sue, or compromise of any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, that the United States may have against any person, firm, corporation or other entity not a signatory to this Settlement Agreement.

IX. COVENANTS BY SETTLING PARTIES~~Y~~

~~23-22.~~ Settling Parties covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to ~~Past~~ Response Costs and this Settlement Agreement, including but not limited to:

a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claims arising out of the response actions at the Site for which the ~~Past~~ Response Costs were incurred, including any claim under the United States Constitution, the Constitution of the State of Washington, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; and

c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for ~~Past~~ Response Costs.

~~24-23.~~ Nothing in this Settlement Agreement shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

X. EFFECT OF SETTLEMENT/CONTRIBUTION

~~25-24.~~ Nothing in this Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement Agreement. Except as provided in Section IX (Covenants by Settling Parties), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement Agreement diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613 (f)(2)-(3), to pursue any

such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

~~26-25.~~ The Parties agree that the actions undertaken by the Settling Parties in accordance with this Settlement Agreement do not constitute an admission of any liability by Settling Parties. The Settling Parties do not admit, and retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Settlement Agreement, the validity of the facts or allegations contained in Section II of this Settlement Agreement.

~~27-26.~~ The Parties agree that this Settlement Agreement constitutes an administrative settlement for purposes of Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), and that the Settling Parties are entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), or as may be otherwise provided by law, for “matters addressed” in this Settlement Agreement. The “matters addressed” in this Settlement Agreement are ~~Past~~ Response Costs. The Parties further agree that this Settlement Agreement constitutes an administrative settlement for purposes of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B), pursuant to which the Settling Parties have, as of the Effective Date, resolved liability to the United States for some or all of a response action or some or all of the costs of such action.

~~28-27.~~ Each Settling Party shall, with respect to any suit or claim brought by it for matters related to this Settlement Agreement, notify EPA in writing no later than 60 days prior to the initiation of such suit or claim. The Settling Parties also shall, with respect to any suit or claim brought against it for matters related to this Settlement Agreement, notify EPA in writing within 10 days after service of the complaint or claim upon it. In addition, the Settling Parties shall notify EPA within 10 days after service or receipt of any Motion for Summary Judgment and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Settlement Agreement.

~~29-28.~~ In any subsequent administrative or judicial proceeding initiated by EPA, or by the United States on behalf of EPA, for injunctive relief, recovery of response costs, or other relief relating to the Site, the Settling Parties shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the covenants by EPA set forth in Section VII.

~~30-29.~~ Effective upon signature of this Settlement Agreement by the Settling Parties, Settling Party agrees that the time period commencing on the date of its signature and ending on the date EPA receives from Settling Party the payment required by Section V (Payment of Response Costs) shall not be included in computing the running of any statute of limitations potentially applicable to any action brought by the United States related to the “matters addressed” as defined in Paragraph ~~28~~, and that, in any action brought by the United States related to the “matters addressed,” the Settling Parties will not assert, and may not maintain, any

defense or claim based upon principles of statute of limitations, waiver, laches, estoppel, or other defense based on the passage of time during such period. If EPA gives notice to Settling Parties that it will not make this Settlement Agreement effective, the statute of limitations shall begin to run again commencing ninety days after the date such notice is sent by EPA. [I highlighted this paragraph because I do not understand why it is necessary or how it could come into play in this particular matter, given that the "matters addressed" by this Settlement Agreement are simply the Response Costs and EPA is covenanting not to sue Settling Parties as to Response Costs effective upon payment of Response Costs.]

XI. ACCESS TO INFORMATION

~~31-30.~~ Settling Parties shall provide to EPA, upon request, copies of all records, reports, or information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as "Records") within their possession or control or that of their contractors or agents relating to ~~activities-~~ Response Costs incurred at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, and correspondence, ~~or other documents or information related to the Site.~~

~~32-31.~~ Confidential Business Information and Privileged Documents.

a. A Settling Party may assert business confidentiality claims covering part or all of the Records submitted to EPA under this Settlement Agreement to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Records determined to be confidential by EPA will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified a Settling Party that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to either Settling Party.

b. A Settling Party may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If a Settling Party asserts such a privilege in lieu of providing Records, they shall provide EPA with the following: (1) the title of the Record; (2) the date of the Record; (3) the name, title, affiliation (e.g., company or firm), and address of the author of the Record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the Record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a Record, the Record shall be provided to EPA in redacted form to mask the privileged information only. A Settling Party shall retain all Records that it claims to be privileged until the United States has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Party's favor. However, no Records created or generated pursuant to the requirements of this Settlement Agreement shall be withheld on the grounds that they are privileged or confidential.

~~33-32.~~ No claim of confidentiality or privilege shall be made with respect to any data, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific,

chemical, or engineering data, or any other documents or information evidencing conditions at or around the Site.

XII. RETENTION OF RECORDS

~~34-33.~~ 34-33. Until ~~ten~~ two years after the Effective Date, each Settling Party shall preserve and retain all non-identical copies of Records (including records in electronic form) now in its possession or control, or that come into its possession or control, that relate in any manner to Response Costs incurred~~response actions taken~~ at the Site or to the liability of any person under CERCLA with respect to Response Costs incurred at the Site, regardless of any corporate retention policy to the contrary.

~~35-34.~~ 35-34. After the conclusion of the ~~ten~~two-year document retention period in the preceding Paragraph, Settling Parties shall notify EPA at least 90 days prior to the destruction of any such Records and, upon request by EPA, Settling Parties shall deliver any such Records to EPA. Settling Parties may assert that certain Records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If a Settling Party asserts such a privilege, it shall provide EPA with the following: (1) the title of the Record; (2) the date of the Record; (3) the name, title, affiliation (e.g., company or firm), and address of the author of the Record; (4) the name and title of each addressee and recipient; (5) a description of the subject of the Record; and (6) the privilege asserted. If a claim of privilege applies only to a portion of a Record, the Record shall be provided to EPA in redacted form to mask the privileged information only. A Settling Party shall retain all Records that it claims to be privileged until EPA has had a reasonable opportunity to dispute the privilege claim and any such dispute has been resolved in the Settling Party's favor. However, no Records created or generated pursuant to the requirements of this Settlement Agreement shall be withheld on the grounds that they are privileged or confidential.

~~36-35.~~ 36-35. Settling Parties certify that, to the best of their knowledge and belief, after thorough inquiry, they have:

a. not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since the earlier of notification of potential liability by the United States or the state or the filing of a suit against it regarding the Site and that it has fully complied with any and all EPA requests for information regarding the Site and Settling Party's financial circumstances, including but not limited to insurance and indemnity information, pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927;

b. submitted to EPA financial information that fairly, accurately, and materially sets forth its financial circumstances, and that those circumstances have not materially changed between the time the financial information was submitted to EPA and the time Settling Parties execute this Settlement Agreement; and

c. fully disclosed any information regarding the existence of any insurance policies or indemnity agreements that may cover claims relating to cleanup of the Site, and submitted to EPA upon request such insurance policies, indemnity agreements, and information.
